

- 08:15 **Opening remarks**
- 8:30-8:40 **Idiopathic Scoliosis: definitions, detection, clinical picture-**
Theodoros B. Grivas, Greece
- 8:40-8:50 **Natural history of AIS –** Tomasz Kotwicki, Poland
- 8:50-9:00 **How AIS affects quality of life later in adult life-**
Stefano Negrini, Italy
- 9:00-9:10 **Discussion**
- 9:10-9:20 **3D nature of AIS: implications in non-surgical treatment –**
Jean Claude de Mauroy, France
- 9:20-9:30 **AIS Classifications used in non-surgical treatment -** Manuel Rigo, Spain
- 9:30-9:40 **Non-invasive methods to measure back asymmetry in AIS –**
Patrick Knott, USA
- 9:40-9:50 **Discussion**
- 9:50-10:00 **Early onset scoliosis –**
Franz Landauer, Austria
- 10:00-10:10 **Evidence based medicine in the surgical treatment of AIS-**
Stefan Mattyasovszky, Germany
- 10:10-10:20 **Discussion**
- 10:20-10:50 **Coffee break**
- 10:50-11:00 **Non idiopathic scoliosis-**
Franz Landauer, Austria
- 11:00-11:10 **Non surgical treatment in non-idiopathic scoliosis –**
Ulrich Betz, Germany
- 11:10-11:20 **Non-surgical treatment of Juvenile Kyphosis –**
Jean Claude de Mauroy, France
- 11:20-11:30 **Discussion**
- 11:30-12:05 **A concise approach to scoliogeny –**
Theodoros B. Grivas, Greece
- 12:05-12:15 **Discussion**
- 12:15-12:25 **The patient's perspective –**
Joseph O'Brien, USA
- 12:25-12:35 **AIS: Psychological aspects**
Elisabetta D'Agata, Spain
- 12:35-12:45 **Discussion**

May 06th , 2014

- 12:45- 13:45 **LUNCH**
- 13:45-13:55 **AIS: evidence on brace treatment**
Fabio Zaina, Italy
- 13:55-14:05 **Overview on braces used more in Europe –**
Theodoros B. Grivas, Greece
- 14:05-14:15 **Overview on braces used more in the US –**
Luke Stikeleather, USA
- 14:15-14:25 **Discussion**
- 14:25-14:35 **AIS: Evidence on physiotherapy specific exercises –**
Michele Romano, Italy
- 14:35-14:45 **European schools of Scoliosis Physiotherapy –**
Michele Romano, Italy
- 14:45-14:55 **American perspective on Scoliosis Specific Exercises-**
Cindy Marti, USA
- 14:55-15:05 **Discussion**
- 15:05:-15:15 **Is there any evidence for non-surgical interventions others than
bracing and Physiotherapy Scoliosis Exercises –**
Eric Parent, Canada
- 15:15-15:25 **Historical perspective: the importance of the German School in the
scoliosis physiotherapy**
Axel Hennes, Germany
- 15:25-15:35 **Discussion**
- 15:35-15:50 **Coffee break**
- 15:50-16:00 **Factors predicting success and brace failure –**
Franz Landauer, Austria
- 16:00-16:10 **Is there a German way of bracing?**
Silke Auler, Germany
- 16:10-16:20 **AIS: bracing and the sagittal plane –**
Manuel Rigo, Spain
- 16:20-16:30 **Discussion**
- 16:30-17:15 **Case presentation panel presenting 3 cases/3 expertises for
discussion/plus open discussion**
Manuel Rigo, Spain

May 07th , 2014

Educational COURSE A: Physiotherapy & Rehabilitation

- 08:15 **Opening Remarks**
- 8:30-9:00 **FITS**
Marianna Bialek, Poland
Andrzej M'hango, Poland
- 9:00-9:10 **Discussion**
- 9:10-9:40 **SCHROTH**
Axel Hennes, Germany
- 9:40-9:50 **Discussion**
- 9:50-10:20 **DOBOMED**
Jacek Durmala, Poland
- 10:20-10:30 **Discussion**
- 10:30-11:00 **Coffee break**
- 11:00-11:30 **SEAS**
Michele Romano, Italy
- 11:30-11:40 **Discussion**
- 11:40-12:10 **LYON**
Jean Claude de Mauroy, France
- 12:10-12:20 **Discussion**
- 12:20-12:30 **Final remarks**
- 12:30 **Lunch**

May 07th , 2014

Educational COURSE B: Bracing

08:15	Opening Remarks
8:30-8:55	Soft bracing <i>Matthias Roller, Germany</i>
8:55-9:20	CHENEAU Brace Concept <i>Manuel Rigo, Spain</i>
9:20-9:30	Discussion
9:30-9:55	SFORZESCO-SPoRT <i>Stefano Negrini, Italy</i>
9:55-10:20	PASB <i>Angelo Gabriele Aulisa, Italy</i>
10:20-10:30	Discussion
10:30-11:00	Coffee break
11:00-11:25	The new Lyon brace (ARTbrace) <i>Jean Claude de Mauroy, France</i>
11:25-11:50	Thoracolumbar Lordotic Intervention: It's a technique, not just a form <i>Piet van Loon, Netherlands</i>
11:50-12:15	Discussion
12:15-12:30	Final remarks
12:30	Lunch

May 07th , 2014

Educational COURSE C: Patients Management by Physician

- 08:15 **Opening remarks**
- 8:30-9:00 **Spinal Deformities:**
Anamnesis, Diagnosis & Treatment; Variety on Options
Philipp Drees, Germany
- 9:00-9:10 **Discussion**
- 9:10-9:40 **Descending Functional Approach of the Skeletal System –**
Christian Ludwig; Germany
- 9:40-9:50 **Discussion**
- 9:50-10:20 **Ascending Functional Approach of the Skeletal System**
Franz Landauer, Austria
- 10:20-10:30 **Discussion**
- 10:30-11:00 **Coffee break**
- 11:00-11:30 **Spine Function & Whole Body Approach of the Skeletal System**
Holger Jahn, Germany
- 11:30-11:40 **Discussion**
- 11:40-12:20 **Case Study: Anamnesis, Diagnosis & Treatment Decision Process**
Moderator: *Dr. med. Holger Jahn* and two expertise
- 12:20-12:30 **Discussion & Final remarks**
- 12:30 **Lunch**
